We seek researchers and lecturers who have achieved appropriate recognition in their field of activity and can contribute to the research agenda of the Mathematics Department and the Computer Science Department at WUT, as well as to the development of the teaching curriculum.

DESCRIPTION OF THE VISITING LECTURER / RESEARCHER POSITION:

The Faculty of Mathematics and Computer Science (FMI) invites applications for the position of Visiting Lecturer or Visiting Researcher in the Department of Computer Science or in the Department of Mathematics. FMI is strongly committed to research excellence in all its dimensions: searching for fundamental results and insights, developing novel computational solutions to a wide range of applications, building large-scale experimental systems and improving the well-being of society. We seek to play an active role both internationally and locally in the core and emerging areas of Computer Science and Mathematics.

The Visiting Lecturer (february - june 2025) will be responsible for teaching and research in some of these areas: Data Science, Programming Languages (C/ C++), Artificial Intelligence, Computer Networks, Machine Learning, Cybersecurity, Neurotechnology. The candidate is expected to teach undergraduate and graduate students.

The Visiting Researcher will be responsible for mentoring/co-advising MSc/PhD theses. They will also deliver talks in one of our regular scientific seminars (<https://info.uvt.ro/centre-de-cercetare/>) in accordance with their academic and research interests.
